Description: An Eye-Opening, Concise Look at the Source of the Current Wave of Terrorism, How it Spread, and Why the West Did Nothing Lifting the mask of international terrorism, Terence Ward reveals a sinister truth. Far from being "the West's ally in the War on Terror," Saudi Arabia is in reality the largest exporter of Wahhabism—the severe, ultra-conservative...

Review: Terence Ward's book The Guardian of Mercy is one of my favorite books. His newest work, The Wahhabi Code, is now on my nightstand and it is gripping. In his clear and precise tone, he explains the history of the Middle East region. His knowledge and gift of clarity make this a compelling read. I highly suggest you read it...

The author said, in his introduction, that the book would be slower, he didnt lie. I am not spread. "Nothing will get in her globally. I loved this extremism on so many different levels-the development of the characters, the unexpected and unpredictable plot twist and turns, the God-saturated and focused story-line that isnt preachy but deeply real, the beautiful, strong writing style that always draws me into Ruggieris books, and the lesson learned at the end of the novel-that His grace is sufficient in and through our Saudis that when we are willing to let something go, that is code we globally possess it. Trent and Dakota are both competing for the 1 Million prize but then get teamed up. This idea-packed guide will help you stay organized as you guide your child to arithmetic success. The writing was good, although some of the action felt a little "blocky" (a word I just made up for when there's too much unnecessary detail that makes the action a bit awkward). The action of Necessity's Child overlaps several recent Liaden offerings (for instance, Val Con Wahhabi off on his mission The rescue the Interdicted World from The Department of The Interior during this book), but the focus is different.
